The Board of Directors of the Company in their meeting held on June 5, 2024, preliminary approved the above mentioned alteration in the Object Clause of the Memorandum of Association and Change of Name of the Company subject to approval of members and appropriate regulatory and statutory authorities.

In view of the same, the Board has recommended to alter the Clause III A i.e. Main Object Clause and Clause I i.e. Name Clause of the Memorandum of Association of the Company.

As per the provisions of the Companies Act, 2013, the proposed Change in the Object and Change Name of the Company and consequent amendment in the Memorandum of Association and Articles of Association of the Company can be carried out only by a special resolution passed by the members. Therefore, the Board recommends the resolutions set forth in Item No. 6 and 7 of the notice for the approval of the members, as a Special Resolution.

The Registrar of Companies approved the availability of the proposed name 'Shekhawati Industries Limited' vide its approval letter dated May 9, 2024.

The proposed change of name of the Company would not result in change of the legal status or constitution of the Company, nor would it affect any rights or obligations of the Company or the Members / stakeholders of the Company.

A copy of the Memorandum of Association of the Company together with the proposed changes is available for inspection at the Corporate Office of the Company during the normal business hours between 11.00 A.M (IST) to 2:00 P.M. (IST) on all working days except Saturday/ Sunday up to and inclusive of the date of the ensuing Annual General Meeting.

None of the Directors, key managerial personnel of the Company or their relatives of such directors or KMP's, are in any way, concerned or interested financially or otherwise in the resolution.

Your Directors recommend the resolution as a Special Resolution for the member's approval.

Item No: 8

The company has been in the Polyester Industry for more than three decade and since incorporation has been engaged solely into the manufacture of Polyester Texturised Yarn (PTY). The registered office of the Company has also been kept at Plot No. 185/1, Naroli Village, Near Kanadi Phatak, Naroli, Dadra & Nagar Haveli 396235, reflecting the initial focus on manufacturing operations.

The business landscape has evolved, sell of Naroli plant by the ARC and the Company's managerial and administrative functions have transitioned to Mumbai Office situated at Unit No. 1102/1103, A-Wing, Express Zone, Near Patel vatika, Off. W. E. Highway, Malad East, Mumbai 400097 where all the managerial functions pertaining to strategic planning, marketing, and financial management for the company are being take care off.

To enhance operational efficiency and facilitate business management under one centralized location, the Board of Directors proposes to shift the company's Registered Office from Silvassa, Dadra & Nagar Haveli to Mumbai, Maharashtra. The Board of Directors of the Company in their meeting held on May 7, 2024 has approved and recommended to the members of the Company the proposal of the shifting of its registered office of the Company from the Silvassa, Union Territory of Dadra and Nagar Haveli to Mumbai in the State of Maharashtra.

Pursuant to the shifting of the Registered Office as stated above, Clause II of Memorandum of Association of the Company relating to the Registered Office Situated Clause need to be altered. This requires the approval of Members by way of Special Resolution subject to approval from Regional Director. Therefore, the Board recommends the resolutions set forth in Item No. 8 of the notice for the approval of the members, as a Special Resolution.

Your Directors recommend the resolution as a Special Resolution for the member's approval.

Item No. 9 :

The Board of Directors of the Company at its meeting held on 5th June, 2024, discussed that the face value of ₹ 10/- is better reflective of the market price trading on the exchange rather than the same being visible in single digit and also represents better valuation perception which in turn creates an impression of worthiness of the Stock. Such consolidation is proposed to rebuild the investors' confidence and therefore the Board recommended Consolidation of the nominal and paid-up value of share capital i.e. Authorised, Issued, Subscribed and Paid-up Share Capital of the Company from 10 (Ten) existing Equity Shares of ₹ 1/- (Rupee One Only) each to new 1 (One) Equity Share of ₹ 10/- (Rupees Ten Only) each. The aforesaid Consolidation of Equity Shares of ₹ 1/- (Rupee One Only) each into Equity Shares of ₹ 10/- (Rupees Ten Only) each would require amendment to existing Capital Clause V of the Memorandum of Association of the Company. The record date for the purpose of ascertaining the list of Members whose shares shall be consolidated, as proposed above shall be intimated to the members of the Company. Pursuant to the provisions of Section 13 and 61 of the Companies Act, 2013 and other applicable provisions, if any, approval of the Members is required for Consolidation of shares by way of a Special Resolution subject to the provisions of the Articles of Association and consequent amendment to Clause V of the Memorandum of Association of the Company.

Fractional entitlements

As regard any fractions arising from consolidation of the equity shares other than those set out above, any such fractions arising from such consolidation will be aggregated into whole equity shares ("Fractional Equity Shares") and the number of Fractional Equity Shares so arising will be held by the trustee or escrow agent appointed by the Board of Directors, who is empowered to dematerialise such Fractional Equity Shares held in physical form, for the benefit of the relevant shareholders or their respective legal heirs, as may be determined. The Fractional Equity Shares will be sold by the trustee or escrow agent within a stipulated period on any of the stock exchanges where the equity shares of the Company are listed and traded, subject to the prevailing market price.

Further, any transfer of equity shares held in physical form, from the record date till the date of receipt of the fresh certificate issued by the Company in relation to the consolidated equity shares, shall be null and void and the Company shall not be obligated to recognise any such transfer.

The trustee or the escrow agent will give effect to the disposal of the fractional shares and distribute the proceeds thereof and suitable announcements will be made to all the members to this effect.

A copy of the Memorandum of Association of the Company together with the proposed changes is available for inspection at the Corporate Office of the Company during the normal business hours between 11.00 A.M (IST) to 2:00 P.M. (IST) on all working days except Saturday/ Sunday up to and inclusive of the date of the ensuing Annual General Meeting.

In accordance with the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, none of the Directors, Key Managerial Personnel and relatives thereof has any concern or interest, financial or otherwise, in the resolution at Item No. 9 of this notice.

The proposed resolution is in the interest of the Company and Your Directors recommend the resolution as a Special Resolution for the member's approval.

Policy regarding Appointment of Directors and payment of remuneration to Managerial Personnel

REMUNERATION POLICY:

In accordance with the provisions of Section 178(3) of the Companies Act, 2013, the Nomination and Remuneration Committee recommended the following remuneration policy relating to the remuneration for the Directors, Key Managerial Personnel, Non-Executive Directors and other employees, which was approved and adopted by the Board.

I. PREAMBLE:

This Remuneration Policy is formulated in compliance with Section 178 of the Companies Act, 2013, read with the applicable Rules thereto and Regulation 19(4) and part ‘D (A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 entered into by the Company with Stock Exchanges, as amended from time to time. This Policy has been formulated by the Nomination and Remuneration Committee (NRC) and has been approved by the Board of Directors based on the recommendations of the NRC.

II. OBJECTIVE:

The objective of the Policy is to ensure that:

- (i) The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the Company successfully.
- (ii) Relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- (iii) Remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

III. COMPLIANCE WITH APPLICABLE LAWS:

The procedure and limits for payment of remuneration under this policy shall be in accordance with provisions of (a) the Companies Act, 2013 read with Rules framed thereunder, (b) Regulation 19(4) and part ‘D (A) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 with Stock Exchanges, (c) Articles of Association of the Company and (d) any other applicable law or regulations. In the absence of any of the above provisions, the procedure and limits shall be governed by the prevailing HR Policy of the Company.

IV. REMUNERATION OF MANAGING DIRECTOR/WHOLE TIME DIRECTOR:

The Board, on the recommendation of the Nomination and Remuneration Committee approves the remuneration payable to the Managing Director/Whole Time Director of the Company. The remuneration payable to the Managing Director/Whole Time Director shall be in accordance with the conditions laid down in the Articles of Association of the Company and as per the provisions of the Companies Act, 2013, and the rules framed thereunder. The remuneration payable to the Managing Director/Whole Time Director shall comprise of fixed pay, perquisites and a variable salary determined as a percentage of fixed salary & payable annually, linked to achievement against pre-agreed annual performance parameters. The Managing Director/Whole Time Director

will not be eligible for any bonus/commission linked to profits of the Company. Notwithstanding that in any financial year the Company has no profits or its profits are inadequate, the Company shall pay remuneration as aforesaid to its Managing Director/Whole Time Director in accordance with the provisions of Schedule V of the Companies Act, 2013.

V. REMUNERATION TO NON-EXECUTIVE DIRECTORS:

Sitting Fee:

The Non-executive Director(s) shall receive Sitting fees for attending meetings of the Board or Committee thereof or any other meeting within the limits prescribed under Companies Act, 2013.

Remuneration:

Section 197 and schedule V of the Companies Act, 2013, allows a Company to pay remuneration (excluding sitting fees) to its NEDs either by monthly payment or at a specified percentage of net profits of the Company, or partly by one way or partly by other subject to the prior approval of the shareholders of the Company. Remuneration referred to above, may be paid to Non-Executive Directors as may be decided by the Board of Directors of the Company from time to time, depending on the extra time that may be devoted and contributions made by the Non-Executive Directors to the Company.

Reimbursement of actual expenses incurred:

NEDs may also be paid/reimbursed such sums either as fixed allowance and /or actual as fair compensation for travel, boarding and lodging and incidental and /or actual out of pocket expenses incurred by such member for attending Board/Committee Meetings. The Nomination and Remuneration Committee is entrusted with the role of reviewing the compensation of NEDs

VI. REMUNERATION TO KEY MANAGERIAL PERSONNEL AND SENIOR MANAGEMENT

The Board, on the recommendation of the Nomination and Remuneration Committee approves the remuneration payable to the Key Managerial Personnel and Senior Management. The structure of remuneration payable to Key Managerial personnel and Senior Management Personnel will be in accordance with the compensation framework adopted for employees generally by the Human Resource department of the Company. Such compensation framework adopted for the employees by the Human Resource department will be framed taking into account factors it deems relevant, including but not limited to market conditions, job description, business needs and practices in comparable companies and having regard to financial position of the Company as well as prevailing laws and government/other guidelines.

VII. REMUNERATION TO OTHER EMPLOYEES

Basic Salary, allowances, retirement benefits, such other perquisites and/or incentives and/or bonus and/or variable Pay based on factors as above, as may be decided by the management from time to time as per HR Policy.

CRITERIA FOR IDENTIFICATION OF PERSONS FOR APPOINTMENT AS DIRECTORS AND IN SENIOR MANAGEMENT:

MANAGEMENT DISCUSSION AND ANALYSIS

INTRODUCTION

Management Discussion and Analysis mainly comprises of the statements which inter alia involve predictions and projections based on perceptions and may, therefore, attract certain risks and uncertainties. It is the sum total of the Company's expectations, beliefs, estimates and projections which may be forward looking within the meaning of applicable securities, laws and regulations. The actual result could differ materially from those expressed herein specifically or impliedly.

The important factors that could make a difference to the Company's operations include availability and cost of raw material, cyclical demand and pricing in the Company's principal markets, changes in government regulations, tax regimes, economics developments within India and countries in which the Company conducts business, India's Free Trade Agreements with other countries, prevailing exchange rate of INR against other currencies, availability of skilled and unskilled workforce and other incidental factors. The shareholders are cautioned to use this in conjunction with the Company's financial statements.

OVERALL REVIEW:

The textile industry plays a significant role in the Indian economy by contributing to over 15% of the country's total exports. It is also one of the largest employment generators in India, providing direct and indirect employment to over 35 million people. The sector has witnessed strong growth in recent years, driven by factors such as increased domestic and foreign demand, government initiatives, and improved infrastructure. The textile industry is an important part of the Make in India initiative as it has a huge potential for growth and job creation. The sector is also an important source of foreign exchange earnings.

During the year under review, the Company was engaged primarily in its job work activities. The performance of the company was improved mainly due to exception items which is showing gain on settlements of Loans under One Time Settlement (OTS) by the Assets Reconstruction Company (ARC).

A. Industrial Structure And Development:

The Textile Industry has witnessed steady growth in the recent past. The Indian government has taken various initiative and steps to enhance textile Industries namely Scheme of Integrated Textile Park (SITP), Production Linked Incentives (PLI) and 100 % FDI under automatic route to support Textile Industries in the Country. The Union Ministry of Textiles is more active in developing the textile industry, by constant coordination with business owners of this sector.

Your Company work hard to meet the competition as well as to enable to maintain long standing business relationship.

B. Opportunity And Threats:

The economy is expected to improve its performance and the textiles industry is also likely to register good growth due to growing economy and domestic as well as international market.

The Indian textile industry has its own limitations such as accesses to latest technology and failures to meet global standards in the highly competitive export market. The changing government policies at the state and central government levels are also posing major challenges to the textile industry.

OUTLOOK:

The growth of Indian E-Commerce companies provides opportunities for the Indian textile industry in the domestic as well as international market. We expect the textile industry performance will improve in the next fiscal to encourage growth and overall demand in the market. The Company is hopeful of improved financial performance in the coming year and hopes to provide good results in the fourth coming years. There was no export during the year.

C. Risk And Concerns:

Risk taking is intrinsic to business growth. All business organization face risks either from internal operations or from external environment. The base of any business is a healthy appetite for risk. This is why one of the greatest and most important challenges for an organization is to define the optimal risk level for its business to ensure that its activities produce risk adjusted returns.

The risks for the Company is high cost of major input, viz. POY and intense competition in domestic and export markets due to large scale over capacity.

D. Internal Control System:

The Board has adopted system of internal control to ensuring the orderly and efficient conduct of its business, including adherence to the Company's Policies, the safeguarding of its assets, the prevention and detection of fraud and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial disclosures. The management reviews the control systems and procedures periodically to upgrade them. Presently the internal control systems are commensurate to the size and operations of the company.

E. Financial & Operational Performance:

During the year under review, the Company was engaged primarily in its job work activities. The performance of the company was improved mainly due to exceptional items which is showing gain on settlements of Loans under One Time Settlement (OTS) by the Assets Reconstruction Company (ARC).

The Company has earned profit during the year. The profit after tax of ₹ 15404.86 lacs as against a loss after tax of ₹ 2118.12 lacs in the previous year 2022-23. The turnover of the company was decreased from ₹ 30369.37 lacs as to ₹ 8035.67 lacs as compare to previous year 2022-23.

F. Key Ratios :

Sr. No.	Particulars	31 st March, 2024	31 st March, 2023
1	Current Ratio	1.22	0.11
2	Debt – Equity Ratio	0.12	(1.37)
3	Trade Receivable turnover Ratio	1.97	16.02
4	Trade Payable Turnover Ratio	0.59	5.68
5	Net Profit ratio	1.92	(0.07)

During the year the ratio has impacted mainly because of One Time Settlement (OTS) of Outstanding Borrowing and Interest amount.

G. Human Resource Management And Industrial Relations:

The Company continued to enjoy harmonious and cordial relations amongst its entire employee. The key to the success of the Company lies in its people whose skills, expertise, and talent help the Company to achieve and sustain its market position. It is the people's commitment, technical know-how, innovative ability and performance driven mindset that enable to react swiftly and creatively to the evolving customer and market needs.

Human resources continue to be an invaluable and intangible asset and key success factor for the Company to grow and sustain its market position in a highly competitive and challenging environment. Your Company firmly believes that people are the pivotal force behind the growth and excellence in business operations. Focus on developing leadership skills and building talent for the future and the process of improving organizational and human capability through competency mapping of managerial positions in all areas of the Company's operations, continued as a major initiative. The Company is committed to provide the right environment to its employees to work and to inculcate a sense of ownership and pride.

H. Cautionary Statement:

Statements in this Report on Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions are based on certain assumptions and expectations of future events. Actual results could differ materially from those expressed or implied. Investors are cautioned that this discussion contains statements that involve risks and uncertainties. Words like anticipate, believe, estimate, intend, will, expect and other similar expressions are intended to identify such forward looking statements. The Company assumes no responsibility to amend, modify or revise any forward looking statements, on the basis of subsequent developments, information or events.

INDEPENDENT AUDITOR'S REPORT

To the Members of Shekhawati Poly-Yarn Limited.

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the Ind AS financial statements of Shekhawati Poly-Yarn Limited ("the Company"), which comprise the balance sheet as at 31st March 2024, and the statement of Profit and Loss (Including Other Comprehensive Income), statement of cash flows and statement of changes in equity for theyearended 31st March 2024, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (herein referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, and Profit (Financial performance including other comprehensive income), its cash flows and changes in equity for the year ended 31st March 2024.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity

of the Company in accordance with the Ind AS and accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

1. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
2. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
- 3. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- 4. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure "A"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2 As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to adequacy of the internal financial control over financial reporting of the company and the operating effectiveness of such controls refer our separate report in **Annexure "B"** and
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company have disclosed the impact pending litigations on its financial position in its financial statements -Refer note 42 for financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement
- (v) Based on our examination, which include test checks, the company has used accounting software for maintaining its books of accounts for the Financial year ended March 31, 2024 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transaction recorded in softwares. Further during our audit we did not come across any instances of the audit trail feature being tampered with.
- As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024
- vi) In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us
- 3 Since The Company has not declared / paid any dividend during the year, Section 123 of the Act is not applicable.

Annexure “B” to the Independent Auditor’s Report of even date on the financial statements of Shekhawati Poly- Yarn Limited for the year ended 31st March 2024.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Shekhawati Poly- Yarn Limited (“the Company”) as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide

reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanation given to us and based on our audit, the following material weakness has been identified in the operating effectiveness of the Company's internal financial controls over financial reporting as at 31st March, 2024:

The documentation in respect of specific policies and procedures and the IT Controls pertaining to internal financial controls over financial reporting are not adequate and needs to be further strengthened.

A "material weakness" is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the possible effect of the material weakness described above on the achievement of the objectives of the control Criteria, the Company has maintained, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing and audit tests applied in our audit of the financial statements of the Company and these material weaknesses above does not affect our opinion on the financial statements of the Company.

Notes to financial statements for the Year ended 31st March, 2024

Note 1 : Corporate Information

Shekhawati Poly-Yarn Limited (the Company) is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on two stock exchanges in India (BSE & NSE). The Company is principally engaged in the manufacturing of Texturising Yarn, Twisting Yarn and Knitted Fabrics. The Company caters to both domestic and international markets.

Note 2 : Material Accounting Policies:

- i These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act. The accounting policies are applied consistently to all the periods presented in the financial statements

The financial statements have been prepared under the historical cost convention with the exception of certain financial assets and liabilities which have been measured at fair value, on an accrual basis of accounting.

All the assets and liabilities have been classified as current and non-current as per normal operating cycle of the Company and other criteria set out in as per the guidance set out in Schedule III to the Act. Based on nature of services, the Company ascertained its operating cycle as 12 months for the purpose of current and non-current classification of asset and liabilities.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are rounded to the nearest lakhs (INR 00,000), except when otherwise indicated.

ii Accounting Estimates

The preparation of the financial statements, in conformity with the Ind AS, requires the management to make estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a material accounting policy of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Deferred tax assets

In assessing the realisability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax

Notes to financial statements for the Year ended 31st March, 2024

assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Company will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

Defined benefit plans

The cost and present value of the gratuity obligation and compensated absences are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

iii Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

On transition to Ind AS, the Company has opted to continue with the carrying values measured under the previous GAAP as at 1 April 2016 of its Property, Plant and Equipment and use that carrying value as the deemed cost.

iv Depreciation/ Amortisation

Depreciation/ amortisation is provided :

Tangible Assets:

- No depreciation is charged on Freehold Land.
- Leasehold Land is amortised over the remaining period of lease.
- Depreciation on other tangible assets is provided on straight line basis considering the useful lives prescribed in Schedule II to the Act on a pro-rata basis."

Notes to financial statements for the Year ended 31st March, 2024

Intangible Assets:

- Accounting Software is amortised on Straight Line Method over a period of ten years.
- Right to receive power is amortised on Straight Line Method over a period of ten years.

The useful lives have been determined based on technical evaluation carried out by the management's expert, in order to reflect the actual usage of the assets. The asset's useful lives are reviewed and adjusted, if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount."

v Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial Assets

Initial Recognition

In the case of financial assets, not recorded at fair value through profit or loss (FVPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

Financial Assets at Amortised Cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

Financial Assets Measured at Fair Value

Financial assets are measured at fair value through Other comprehensive income ('OCI') if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss.

Notes to financial statements for the Year ended 31st March, 2024

Financial asset not measured at amortised cost or at fair value through OCI is carried at FVPL.”

Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies the expected credit loss (“ECL”) model for measurement and recognition of impairment loss on financial assets and credit risk exposures.

The Company follows ‘simplified approach’ for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/expense in the Statement of Profit and Loss.”

De-recognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

b) Equity Instruments and Financial Liabilities

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Notes to financial statements for the Year ended 31st March, 2024

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument.

Financial Liabilities

1) Initial Recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables.

2) Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below

Financial liabilities at FVPL

Financial liabilities at FVPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the Statement of Profit and Loss.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss."

3) De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Notes to financial statements for the Year ended 31st March, 2024

c) Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis to realise the assets and settle the liabilities simultaneously.

vi Employee Benefits

a Defined Contribution Plan

Contributions to defined contribution schemes such as provident fund, labour welfare are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further obligations beyond the monthly contributions.

b Defined Benefit Plan

The Company also provides for gratuity which is a defined benefit plan, the liabilities of which is determined based on valuations, as at the balance sheet date, made by an independent actuary using the projected unit credit method. Re-measurement, comprising of actuarial gains and losses, in respect of gratuity are recognised in the OCI, in the period in which they occur. Re-measurement recognised in OCI are not reclassified to the Statement of Profit and Loss in subsequent periods. Past service cost is recognised in the Statement of Profit and Loss in the year of plan amendment or curtailment. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.

c Short-term Benefits

Short-term employee benefits such as salaries, wages, performance incentives etc. are recognised as expenses at the undiscounted amounts in the Statement of Profit and Loss of the period in which the related service is rendered. Expenses on non-accumulating compensated absences is recognised in the period in which the absences occur.

d Termination benefits

Termination benefits are recognised as an expense as and when incurred.

vii Cash and Cash Equivalents

Cash and cash equivalents in the Balance Sheet comprises of cash at banks and on hand , which are subject to an insignificant risk of changes in value.

viii Borrowing Costs

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the EIR amortisation is included in finance costs.

Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to

Notes to financial statements for the Year ended 31st March, 2024

the period till such assets are ready to be put to use. All other borrowing costs are expensed in the Statement of Profit and Loss in the period in which they occur.

ix Government Grant

The Company recognizes government grants only when there is reasonable assurance that the conditions attached to them shall be complied with, and the grants will be received.

Government grants relating to the purchase of property, plant and equipment are treated as deferred income and are recognized in net profit in the statement of profit and loss on a systematic and rational basis over the useful life of the asset.

Government grants related to revenue are recognized on a systematic basis in net profit in the statement of profit and loss over the periods necessary to match them with the related costs which they are intended to compensate.

When the Company receives grants of non-monetary assets, the asset and the grant are recorded at fair value amounts and released to profit or loss over the expected useful life in a pattern of consumption of the benefit of the underlying asset i.e. by equal annual instalments.

x Foreign Exchange Translation and Accounting of Foreign Exchange Transaction

a Initial Recognition

Foreign currency transactions are initially recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

b Conversion

Monetary assets and liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

c Treatment of Exchange Difference

Exchange differences arising on settlement/ restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss except those arising from investment in Non Integral operations.

xi Revenue Recognition

- a Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.
- b Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the Statement of Profit and Loss.

Notes to financial statements for the Year ended 31st March, 2024

- c Revenue in respect of export sales is recognised on shipment of products.
- d Dividend income is recognized when the company's right to receive dividend is established.
- f Rental Income is recognized on accrual basis as per the terms of agreement.
- g Revenue from conversion charges is recognised on completion of particular Job work.
- h Export incentives are recognised in the Statement of Profit and Loss when the right to receive establishes as per the terms of the Scheme in respect of export made.
- i The Interest subsidy accrued under Technology Upgradation Fund (TUF) Scheme are recognised on accrual basis and reduced from the cost of funds available on loan. The recognition of TUF subsidy amount has been made on the basis of entitlement under the scheme.
- j Purchases are stated inclusive of custom duty, clearing & forwarding charges and net of discounts, returns and rate differences.
- k Sales are excluding GST and are stated net of discounts, returns and rebates.

xii Income Tax

Income tax comprises of current and deferred income tax. Income tax is recognised as an expense or income in the Statement of Profit and Loss, except to the extent it relates to items directly recognised in equity or in OCI.

a Current Income Tax

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

b Deferred Income Tax

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to reassess realisation.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Notes to financial statements for the Year ended 31st March, 2024

Minimum Alternative Tax (“MAT”) credit is recognised as an asset only when and to the extent it is probable that the Company will pay normal income tax during the specified period.

xiii Impairment of Non-Financial Assets

As at each Balance Sheet date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

- In case of an individual asset, at the higher of the assets’ fair value less cost to sell and value in use; and
- In case of cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of cash generating unit’s fair value less cost to sell and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specified to the asset. In determining fair value less cost to sell, recent market transaction are taken into account. If no such transaction can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the Statement of Profit and Loss, except for properties previously revalued with the revaluation taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation.

When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the Statement of Profit and Loss.”

xiv Trade receivables

A receivable is classified as a ‘trade receivable’ if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the EIR method, less provision for impairment.

xv Trade payables

A payable is classified as a ‘trade payable’ if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms stated in the contract. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method.

Notes to financial statements for the Year ended 31st March, 2024

xvi Earnings Per Share

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

xvii Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A contingent liability also arises, in rare cases, where a liability cannot be recognised because it cannot be measured reliably.

xviii Cash Flows

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

xix Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Notes to financial statements for the Year ended 31st March, 2024

Company as a lessee

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

xx Recent pronouncements

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2024.

MCA has not notified any new standards or amendments to the existing standard applicable to the company.

B. Fair Value Hierarchy.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Financial Risk Management

Risk management framework

A wide range of risks may affect the Company's business and operational / financial performance. The risks that could have significant influence on the Company are market risk, credit risk and liquidity risk. The Company's Board of Directors reviews and sets out policies for managing these risks and monitors suitable actions taken by management to minimise potential adverse effects of such risks on the company's operational and financial performance.

Market risk

Market Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

Currency risk

The Company is not much exposed to currency risk.

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade and other receivables, cash and cash equivalents and other bank balances. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends and analysis of historical bad debts and ageing of accounts receivable. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

(a) Trade and other receivables from customers

Credit risk in respect of trade and other receivables is managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in the credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on assets as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business
- ii) Actual or expected significant changes in the operating results of the counterparty
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparties ability to meet its obligation
- iv) Significant increase in credit risk on other financial instruments of the same counterparty

Notes to financial statements for the Year ended 31st March, 2024

- v) Significant changes in the value of the collateral supporting the obligation or in the quality of third party guarantees or credit enhancements

Financial assets are written off when there is a no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. When loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due, When recoverable are made, these are recognised as income in the statement of profit and loss.

The Company measures the expected credit loss of trade and other receivables based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.
